

Peet Junior High Summer Reading Project for Incoming 7th Graders

Our philosophy behind summer reading:

In Conroe ISD, we encourage all students to read over the summer in order to enrich learning and provoke thought. Summer reading strengthens reading skills, increases academic achievement, fosters a love for reading, and empowers students to become life-long learners.

Additionally, students who enroll in a Pre AP or AP English course are expected to engage in summer reading as it prepares students for the upcoming school year and creates an initial common framework for classroom discussion and instruction.

At Peet, we **encourage** all students to read during the summer to:

- Help students maintain the ELA skills they learned
- Expose students to quality literature of their choice
- Promote independent reading
- Promote a LOVE for READING

What you do:

All incoming Peet Junior High 7th graders should select and read a book of their choice. After reading, they should then complete three (3) choice activities from the choice board. This will be due by September 6. Don't worry students! There is always something in it for you...besides becoming life-long learners and book lovers!

The incentive:

Popcorn and Movie PARTY!!!!
