

FAQ's

1. What is the process for schedule changes?

If for some reason the student and parent feel a schedule change is necessary, the principal requests that the parents and the student discuss the matter with the counselors and teachers. Normally no changes will be made in a student's schedule after the first two weeks of school. Changes in Athletics for seventh grade students may be made during the first two weeks of school.

Some examples of legitimate schedule change requests for required and elective courses are provided below. Notice how these requests are handled.

For Required Courses:

In some cases students may be placed in the wrong level of a required course. Legitimate requests for course level changes are always honored.

For Elective Courses:

Elective classes cannot be changed after the first two weeks of each semester.

2. Should I choose level or honors courses?

A side-by-side description of honors vs. level classes can be found on our 2021-2022 course selection link, also found our on Peet website.

3. What is No Pass, No Play?

"No Pass No Play" refers to policies in states that define eligibility for extracurricular activities and athletics based on academic performance, attendance and student behavior. In order for a student to participate in UIL extracurricular activities, a student must be passing all courses during grading periods. For more detailed information, please visit:

<https://www.uiltexas.org/policy/tea-uil-side-by-side/academic-requirements>

4. What is the difference between Athletics and PE?

Athletics is a class involving competitive sports, such as football, basketball, volleyball, and track. In order to participate, students must have a physical each year. PE, regular physical education, is a non-competitive class with various physical activities. In order to participate in Athletics, please visit

<https://www.conroeisd.net/department/athletics/> to fill out the pre-participation forms.

5. How do I become a Peer Tutor, Office Aid, a member of Yearbook or TV broadcasting?

These forms may be accessed from our course selection links.

6. Are tutorials offered before or after school?

Yes, tutorials are offered after school 4-5 pm. Homework help is offered in the afternoons in the library, as well. Students must be picked up by 5 pm or register for a late bus. See the link below for detailed information for bus registration.

7. How do I know what courses I will be taking for the following school year?

Students will be receiving a course verification sheet after Spring Break, and if any courses need to be adjusted, students will have their final opportunity for changes. These verification sheets are due to Peet Junior High by **Friday, April 9th**.
