

PJH Summer Reading 2021

Our goal at Peet is to promote a love of reading!

Reading has the power to:

- ★ Improve vocabulary
- ★ Increase academic achievement
- ★ Promote independence
- ★ Deepen reflective thinking.

We ask that every student reads **at least one book** that they enjoy this summer.

There is NOT an assignment to complete!

"What we know is that children who do not read in the summer lose two to three months of reading development while kids who do read tend to gain a month of reading proficiency..."

Richard Allington,
Professor of Literacy Studies

Students, here are a few critical reading skills we encourage you to practice while reading this summer:

- **Make a mental movie:** What do you picture in your head as you're reading? Stop and visualize.
- **Make connections:** What other book, movie or real-life situation does this story remind you of? How is it similar or different?
- **Notice how characters change over time:** What internal or external forces are helping the character grow as a person, or maybe change for the worse?
- **Bring yourself to your reading:** Which parts resonate with you most? How does this story change how you see yourself, other people, or the world?
- **Think about the theme:** What is the overall message or big idea in this book?

Not sure what to read?

Check out the
➔ [Summer Reading Collection](#) ←
on the PJH Destiny Discover app
through the Conroe ISD SSO!

Remember this list only contains suggestions . . . There is not a required reading list!

Choose FICTION or NONFICTION!

↓ Digital and FREE Books ↓
